A MONTH OF COMPASSION AND CONTRIBUTION

AUGUST 2023

TOP ACTIVITIES OF THE MONTH

GREETINGS TO WELL WISHERS AND SUPPORTERS

By Ajitkumar Varma
Vice-President and Project Head

»» We hope this newsletter finds you in good health and high spirits. August 2023 has been a month filled with meaningful activities and valuable contributions by the Oleevia Foundation. As always, our mission to make a positive impact on the lives of those in need is at the forefront of everything we do.

DISTRIBUTING ONAM KITS

AT NADUPPATHY COLONY, PALAKKAD KERALA

➤➤➤ In keeping with our commitment to supporting marginalized communities, we organized a special initiative in Neduppathy Colony, Palakkad, Kerala, to celebrate the spirit of Onam. Onam, the harvest festival of Kerala, is a time for joy and togetherness, but many families in this tribal community face economic challenges that can dampen their celebrations.

➤➤➤ In August, our dedicated team distributed Onam Kits to 150 families in Neduppathy Colony. Each kit contained essential items such as rice, pulses, oil, spices, clothes, and other daily necessities, ensuring that these families could enjoy a hearty and joyful Onam celebration.

AT ANGANWADI, NADUPPATHY COLONY, PALAKKAD KERALA

➤➤➤ During our visit to Neduppathy Colony, we had the opportunity to interact with the local community and understand their pressing needs. One issue that came to our attention was the dysfunctional water system at the local Anganwadi. The Anganwadi is a vital community resource that provides nutrition and early childhood education to children, but a lack of access to clean water was hindering its operations.

➤➤➤ We recognized the significance of this facility and the positive impact it has on the children and the community as a whole. As a result, Oleevia Foundation took immediate action. We installed a high-quality Sintex water tank and its accompanying pipe fittings, significantly improving the water supply system.

➤➤➤ The impact of this intervention cannot be overstated. The children attending the Anganwadi now have consistent access to clean water, ensuring their well-being and creating a conducive environment for learning. Furthermore, this initiative benefits the entire community, as clean water is essential for various daily activities.

OUR JORNEY CONTINUES

➤➤➤ We want to extend our heartfelt gratitude to each and every one of you who has made these initiatives possible. As we look ahead, Oleevia Foundation remains dedicated to its core mission: making the world a better place through compassion and action. Together, we can continue to transform lives and build a brighter future for all.

Thank you for being an essential part of our journey. We invite you to stay connected with us for updates on our ongoing projects and future endeavors.
