# RISE FOR CHANGE- OCTOBER'S TRANSFORMATIVE INITIATIVE

October 2023

## TOP ACTIVITIES OF THE MONTH

### GREETINGS TO WELL WISHERS AND SUPPORTERS

By Ajitkumar Varma  
CEO

»» In this edition of our newsletter, I am excited to share the most recent developments and projects with you. The Oleevia Foundation's journey has always been led by our unshakable dedication to making a real difference in the lives of underprivileged communities. Our MoU with NECTAR powers innovation in North-East India. Collaborating with Padma Shri awardee Madam Bertha amplifies our impact on underserved communities, and inaugurating the Sintex tank uplifts lives. Together, we create hope and a brighter future.

# MEMORANDUM OF UNDERSTANDING (MOU)

## WITH NORTH EAST CENTRE FOR TECHNOLOGY APPLICATION AND REACH (NECTAR)

➤➤➤ We are delighted to announce the signing of a Memorandum of Understanding (MoU) between the Oleevia Foundation and NECTAR (North East Centre for Technology Application and Reach), an autonomous body under the Department of Science and Technology, Government of India. This collaboration marks a significant milestone for our organization and the communities we serve, particularly in North-East India

➤➤➤ The MoU with NECTAR signifies a commitment to harnessing the power of technology for the betterment of society. By pooling our resources and expertise, we aim to drive innovation, promote sustainable development, and uplift the underprivileged communities in North-East India. This MoU holds immense promise for addressing the socio-economic disparities in North-East India and improving the lives of its people through the application of science and technology

# MEETING PADMA SHRI MADAM BERTHA GYNDYKES DKHAR

EXECUTIVE DIRECTOR, BETHANY SOCIETY, SHILLONG

➤➤➤ Our team had the privilege of meeting with Madam Bertha, a distinguished Padma Shri awardee and the Director of Bethany Society, a renowned organization dedicated to the welfare of marginalized communities. The discussion with Madam Bertha revolved around collaborative efforts to support underserved populations.

During the meeting, Madam Bertha shared her insights and experiences, shedding light on the challenges faced by underserved communities. Our discussions centered around community development, empowering disabled people, uplifting farmers, health and hygiene and skill development. This meeting with Madam Bertha has set the stage for future collaborations that will greatly benefit the underserved populations we work with, aligning with our mission to create a more equitable and inclusive society.

# INAUGURATION OF THE SINTEX TANK AT ANGANWADI

AT NADUPPATHY, PALAKKAD, KERALA

➤➤➤ We are excited to report the successful inauguration of a Sintex tank at the Anganwadi in the Tribal Hamlet of Naduppathy, Palakkad, Kerala by our Chief Patron Shri. Krishnakumar K T and our CEO Shri. Ajitkumar Varma. This project marks a significant step in enhancing the quality of life and well-being of the students studying in this region, particularly in terms of health and hygiene.

The installation of the Sintex tank addresses a critical need for clean and safe drinking water and improved sanitation facilities in the tribal hamlet. It will have a transformative impact in terms of health and hygiene, education and community welfare. This project is a testament to our commitment to improving the lives of those in underserved communities, and we look forward to continuing our efforts in this direction.
