

OLEEVIA FOUNDATION SIGNS MOU WITH RAJIV YOUTH FOUNDATION

We are thrilled to announce a significant milestone in our journey towards holistic and sustainable societal development. The Oleevia Foundation has signed a Memorandum of Understanding (MoU) with the Rajiv Youth Foundation, an esteemed organization committed to empowering the underprivileged and integrating them into the developmental process.

The Rajiv Youth Foundation has a long-standing mission to bring about holistic and sustainable development in society through the convergence of all available resources. By focusing on the empowerment of the underprivileged, they aim to enable individuals to become integral parts of the developmental process. Their strategies are deeply rooted in self-help principles and resource development, ensuring that the support provided is both impactful and sustainable.

KEY HIGHLIGHTS OF THE MOU

- **Joint Initiatives:** Both organizations will collaborate on various projects aimed at community development, focusing on education, healthcare, and livelihood opportunities.
- **Resource Sharing:** There will be an active exchange of resources, knowledge, and expertise to maximize the impact of development programs.
- **Capacity Building:** Training programs will be conducted to enhance the skills and capacities of community members, ensuring long-term sustainability.
- **Monitoring and Evaluation:** A robust framework will be established to monitor the progress of joint initiatives and evaluate their impact on the community.

NEXT STEPS

- **Formation of Joint Working Groups:** Establish dedicated teams to oversee the implementation of the MoU's objectives.
- **Community Engagement:** Conduct surveys and community meetings to identify the immediate needs and priorities of the target populations.
- **Pilot Projects:** Launch pilot projects in selected areas to test and refine the approaches and methodologies.
- **Review and Assessment:** Regular review meetings will be held to assess the progress and make necessary adjustments to the programs.
